

Varieties of clocks from different countries
Marking one time, though at ~~different~~ ^{different} ~~times~~

^{Ancies}
By different master craftsmen, all ~~different~~
who, with eternal art, have challenged time.
Look at this rare collection, walking sticks
standing ~~you~~ united... could we all but
mix

With such intimacy and ~~comfr~~ comradeship
As they do... do! what master-pawns of
On chequered chessboards - ^{chess} strange beyond
Is their variety and loveliness! ^{all guess}

I could, of course, keep adding to the list
But then, my ink should be of amethyst
and lapis lazuli, ~~and~~ ruby and pearl
Emerald and diamond set in a whirl
Of rich intoxication through my pen
If I should ~~write~~ ^{try} and picture unto men
This world which is a thousand worlds
in one -

But let me talk awhile, before I've
done

At one or two such masterpieces here
I have in me evoked an atmosphere
of immortality: Veiled Rachel - the
intermediary of immortality,
